(C) If the vehicle is registered in North Carolina, notice shall be given within 24 hours. If the vehicle is not registered in the state, notice shall be given to the registered owner within 72 hours from the removal of this vehicle.

(D) Whenever an abandoned or junked vehicle is removed, and such vehicle has no valid registration or registration plates, the authorizing city official shall make reasonable efforts, including checking the vehicle identification number, to determine the last known registered owner of the vehicle and to notify him of the information set forth in subsections (1) through (4) above.

After the removal of an abandoned vehicle or junked motor vehicle, the owner or any other person entitled to possession is entitled to a hearing for the purpose of determining if probable cause existed for removing the vehicle. A request for hearing must be filed in writing with the county magistrate designated by the chief of district court judge to receive such hearing requests. Upon regaining possession of a vehicle, the owner or person entitled to the possession of the vehicle shall not allow or engage in further violations of this division.

(Ord. passed 1-15-91)

(A) The towing and storage charges provided for in §§ 6-67.12 and 6-67.13 shall be a lien upon the vehicle.

(B) The charges for which the lien is claimed under this section may be enforced by a sale of the vehicle if the owner fails to claim the vehicle and pay the charges within 30 days following the expiration of the time within which an appeal could have been taken or within 30 days following a final determination of the matter on appeal whichever date occurs first. If the lien is enforced by a sale of the vehicle, the procedure shall be as provided by G.S. §§ 44A-4, 44A-5 and 44A-6 where the property upon which the lien is claimed is a motor vehicle, provided that if no one purchases the vehicle at the sale and if the value of the vehicle is less than the amount of the lien, the vehicle may be destroyed.
