

**AN ORDINANCE AMENDING CHAPTER 16, ARTICLE V
OF THE CITY CODE
ENTITLED: RATES AND CHANGES**

BE IT ORDAINED BY THE CITY COUNCIL of the City of Eden, North Carolina, that Article V of Chapter 16 of the Eden City Code is hereby amended as follows:

ARTICLE V: RATES AND CHARGES

Section

- 16-231 Charges for connections
- 16-232 Services inside corporate limits
- 16-233 Services outside corporate limits
- 16-234 Surcharge for certain industrial wastes
- 16-235 Reserved
- 16-236 Deposit required for rental property
- 16-237 Discontinuance of service upon failure to pay charges

§ 16-231 CHARGES FOR CONNECTIONS.

(A) Charges for water connections shall be as follows:

- (1) ¾-inch connection \$ 850
- (2) 1-inch connection 950
- (3) 1½-inch connection 1050
- (4) 2-inch connection 1250

(B) Charges for sewer connections shall be as follows:

- 4-inch connection \$ 850

(C) If laterals are installed by a subdivider during the course of the installation of water and sewer systems in his subdivision, no charge as in subsections (A) and (B) shall be made. Instead, a charge will be made by the city at the time the city shall set a meter at each water tap as follows:

- (1) ¾-inch connection \$ 90
- (2) 1-inch connection 150
- (3) 1½-inch connection 305
- (4) 2-inch connection 500

(D) If laterals for water are installed by the city but no meter is set until a later date, the charges established in subsection (A) shall be paid at the time of installation, less the meter setting charge fixed by subsection (C), and the meter charge shall be paid at the time the meter is installed.

(E) All charges fixed in this section shall be increased by 50% if the site of the connection is located outside of the city limits.

(F) If either the water or sewer connection has to be extended a greater length than is normal (generally one-half width of the street), the property owner shall pay the additional cost of materials, labor and equipment.

(G) For the installation of water connections larger than two inches and sewer connections larger than six inches, the charge shall be the total cost of materials, equipment and labor.

(H) Prior to the time a permit for a sewer connection is issued, the connection charge shall be paid in full. Connection charges and charges for sanitary sewer service shall be determined by the City Council and all current charges for connections and services shall be filed with the City Clerk.

Adopted and effective this 16th day of October, 2012

John E. Grogan, Mayor

Attest:

Sheralene Thompson, City Clerk
