Thru: Brad Corcoran, City Manager

Re: Recognition of Business Milestones

Time is requested at the beginning of the November 20, 2012 Eden City Council meeting to recognize the following businesses for achieving significant milestones.

| | |
|-----------------------|---------------------|
| Doctors Vision Center | 25 year anniversary |
|-----------------------|---------------------|

| | |
|----------------------|---------------------|
| Elree's Sweet Shoppe | 40 year anniversary |
|----------------------|---------------------|

With Mayor Grogan, I plan to present plaques to each of these businesses.

Please let me know if you have any questions concerning this request.

Thank you.
