
CITY OF EDEN – MEMORANDUM

To: EDEN CITY COUNCIL

THRU: DR. BRAD CORCORAN, CITY MANAGER

FROM: KEVIN TAYLOR, DIRECTOR OF INFORMATION TECHNOLOGY

DATE: MARCH 12, 2015

SUBJECT: SURPLUS VECHICLES AND EQUIPMENT

The listed items have reached end of life and/or are in need of parts that exceeded the cost of replacement of the item. I respectfully request that they be declared surplus and sold at public auction via Govdeals.com. Govdeals is an online public auction site designed around the needs of government entities. It provides an E-Bay like experience for bidders without the need for the selling agency to ship items. All items won on Govdeals must be picked up by the winning bidder at a location designated by the government entity. Govdeals auctions typically generate higher purchase prices than traditional public auctions.
