Re: NC Main Street Awards

Time is requested at the April 2015 City Council meeting to acknowledge the two, 2014 NC Main Street award-winning projects from Eden. The first is the RCC Center for Brewing Sciences that won the Best Innovation Award under the Main Street Category of Organization. Representatives of Rockingham Community College and Mayor Tuggle, representing the City, will be acknowledged.

The second is for the Washington Street Loft Best Upper Floor Award of Merit for Economic Restructuring. The Washington Street Lofts are located at 646 Washington Street in the Historic Leaksville downtown area of Eden. Owners Roger and Brenda Hair will be recognized at the City Council meeting.

We will view before and after photos of the projects and I will present the awards as they were given at the NC Main Street Conference in Morganton, NC on March 19, 2015.

Please let me know if you have any questions about the above request.
