Once the demolition is done at the City's expense, actions can be taken to recoup the funds in the same manner as the collection of special assessments.

No such ordinance shall be adopted to require demolition of a dwelling until the owner has first been given a reasonable opportunity to bring it into conformity with this article. Such ordinances shall be recorded in the office of the Register of Deeds of Rockingham County and shall be indexed in the name of the property owner in the grantor index.

(D) The amount of the cost of repairs, alterations or improvements, or vacating and closing, or removal or demolition by the Director shall be a lien against the real property upon which the cost was incurred, which lien shall be filed, have the same priority, and be collected as the lien for special assessment provided by G.S. Chapter 160A, Article 10. If the dwelling is removed or demolished by the Director, he shall sell the materials of such dwelling, and any personal property, fixtures or appurtenances found in or attached to the dwelling, and shall credit the proceeds of such sale against the cost of the removal or demolition and any balance remaining shall be deposited in the Superior Court of Rockingham County by the Director, shall be secured in a manner directed by the court, and shall be disbursed by the court to the persons found to be entitled thereto by final order or decree of the court.
