He asked if that was correct and they should know everything that they need to know and get complete access to everything that they need to know.

Council Member Grogan commented that he thought they work with the City Manager to which Council Member Janney replied that was what he meant. Council Member Grogan added that they would work for the City Manager.

Council Member Janney stated that the City Manager would then need to know that that person needed to get all the information needed to do their job. He stated that was what he wanted to clear up.
