\*\*These rates run for 12 months (January to December) and the usage is assessed annually each November for the following coming year's billing rate (beginning January 1<sup>st</sup>) based on the previous year's average monthly usage. These rates are adjusted annually based on the audit as the contracted rates are adjusted each year.

Lower Contract Rates are available based with terms and agreements of extended use for set periods of time. Contract rate requests must be made through the Economic Development Department for the Eden city Council's consideration and approval.
