**GUS SHINN MURAL.**

There was discussion about possible locations for the Gus Shinn mural. Mrs. Galloway said she had suggested several locations, but all of them were rejected because of one issue or another. It was suggested that the side of Lawrence Heating and Cooling, located on Morgan Road, might be a suitable spot, since it is located in Spray. Mrs. Galloway said she would ask about this.

Mrs. Price asked about the status of the old Coke mural on the side of the Central Hotel. Mrs. Galloway said she had not heard any more about that.

**ITEMS FROM THE COMMISSION.**

Chair Hailey said there is a student at Forsythe Tech who lives in Rockingham County who is very interested in community affairs. She suggested this might be a good student to serve on the Youth Council. Mrs. Galloway said she would pass this information along.

TRAFFIC CIRCLE FOUNTAIN.

Mr. Reid asked about the status of the foundation for the traffic circle. Mrs. Galloway said the money was not approved in the budget for this. There was discussion about other options to pay for the fountain. Mrs. Galloway said any project like this would need to go before Council for approval; however, she said that she knew that some council members were in favor of this.

JULY MEETING CANCELLED.

It was noted that there would be no July meeting.

**ADJOURNMENT:**

There being no further business to come before the Commission, the meeting was adjourned.
