Representatives from Departments:

On January 14, 2013 the City Manager and/or the City Clerk had received advance warnings from 5 of 8 Council Members that they would be unable to attend the regular scheduled July 15, 2013 meeting for one reason or another. Also on January 14, 2013 each member had been notified that there would not be a quorum for the January 15, 2013 meeting based on those advance notices.

The City Manager was present at the Eden City Council Chambers at 7:30 p.m. at the time of the meeting and during that time only one member of Council arrived, Council Member Hagood.

Mr. Corcoran took the notes on behalf of the City Clerk and explained that since they did not have a quorum for the meeting the meeting would not be convened and a special meeting would be held on January 22, 2013.

Council Member Hagood stated that he would like to make a point of order recognizing they did not have a quorum. He stated:

“I would ask the Clerk to duly document as she normally does those members who are present and absent and with that I wish the Mayor well and for a speedy recovery.”

The City Manager re-read to Council Member Hagood what he had said to make sure it had been documented correctly and he said it had. With that, they both left the Chambers.

City Clerk

John E. Grogan, Mayor
