

#### Ideas/Suggestions:

- Better Communication
  - Committees sit together at meetings, keep everyone under control
- Executive Meetings 1 week prior to monthly meeting (Compromise: Keep a group email of the executives going)
- Ann take notes at meeting and keep up with everyone in between meeting so we stay on track
- At meetings repeat ideas once we decide something (Mention time, date etc. when we commit to getting something done)
- Address ideas, not one another at meetings, don't get too sassy and stay focused
- Media Committee to help Sierra make presentation about basketball court
- Will commit to meeting date/time for Dance Committee meeting with Jim and Erin
- Future projects
  - Bell Ringing-TBA
  - Salvation Army organization effort
  - Anti Bullying campaign
  - Recycling Project
